## **salensa ReUse Line – Mehrweginstrumente**

**100 % Made in Germany - Präzision, Qualität und Verlässlichkeit.**

Die salensa ReUse Line steht für hochwertige Mehrweginstrumente, die seit Generationen von einem familiengeführten Unternehmen in Deutschland entwickelt und gefertigt werden – unter Einsatz modernster Produktionstechnologien. Jedes Instrument erfüllt höchste Anforderungen an Präzision, Funktionalität und Langlebigkeit und ist für den zuverlässigen Einsatz in der operativen Augenchirurgie konzipiert.

Alle Produkte erfüllen die geltenden regulatorischen Anforderungen, insbesondere der EU-Medizinprodukteverordnung (MDR), und entsprechen aktuellen Qualitäts- und Sicherheitsstandards. Mit einem Portfolio von über 1.200 Instrumenten bietet unser langjährig erfahrener Hersteller ein umfassendes Spektrum – von bewährten Standardinstrumenten bis hin zu spezialisierten Lösungen für mikrochirurgische Anwendungen. Hochwertige Materialien und ergonomisch optimierte Designs unterstützen präzises, sicheres und effizientes Arbeiten im klinischen Alltag.

Die salensa ReUse Line ermöglicht eine wirtschaftliche und nachhaltige Instrumentennutzung. Ergänzend trägt ein schneller und qualifizierter Reparaturservice direkt beim Hersteller zur Sicherstellung der Einsatzbereitschaft sowie zur Verlängerung der Produktlebenszyklen bei.
